

Capturing Individual Learner Data

Step 1 Select the Learner Registry App

1 Select the app menu

2 Search for the Learner Registry App

The screenshot shows a search bar with 'le' entered. Below the search bar, there are three items: 'User Profile', 'Browser Cache Cleaner', and 'Learner Registry'. The 'Learner Registry' item is highlighted with an orange oval. A blue arrow points from the 'Select the app menu' box to the app menu icon in the top right corner. Another blue arrow points from the 'Search for the Learner Registry App' box to the 'Learner Registry' item.

Step 2 Select the Enrollment Module

1 Click the three bars to open the enrollment module

The screenshot shows two modules: 'Enrollment' and 'Attendance'. The 'Enrollment' module is selected. A blue arrow points from the 'Click the three bars to open the enrollment module' box to the three horizontal bars icon in the top right corner of the 'Enrollment' module.

Step 3 Select school, class, stream and academic year from the dropdown

1 Click to select a school

2 Click to select the class

3 Click to select a stream

4 Click to select the correct academic year

5 Click to open an individual learner enrollment form

The screenshot shows a form with four dropdown menus: 'School', 'Class', 'Stream', and 'Academic year'. Each dropdown menu has a downward arrow icon. Below the dropdown menus, there are three buttons: 'Search by students', 'Enroll student', and 'Bulk enrollment'. A blue arrow points from the 'Click to open an individual learner enrollment form' box to the 'Enroll student' button. Another blue arrow points from the 'Click to select the correct academic year' box to the 'Academic year' dropdown menu. Other blue arrows point from the 'Click to select a school', 'Click to select the class', and 'Click to select a stream' boxes to their respective dropdown menus.

Step 4 Enter individual learner details

1 Enter the learner details
-Mandatory fields are marked with an asterisk
-Enrolment date should be the same as the academic year

2 Select submit to save

The screenshot shows the 'Single student Enrollment' form. It has two main sections: 'Enrollment Details' and 'Student Profile'. The 'Enrollment Details' section contains five fields: 'Registering School *', 'Academic Year *', 'Class *', 'Stream *', and 'Enrollment date *'. The 'Student Profile' section contains one field: 'System ID'. The 'Enrollment date *' field is highlighted with a blue arrow. A blue arrow points from the 'Select submit to save' box to the 'Submit' button. Another blue arrow points from the 'Enter the learner details' box to the 'Enrollment Details' section.
