2 events
Yesterday

D. 3 Staff Junior ...

Search / Add new person

Search

Staff file number
1235567

Search

New person

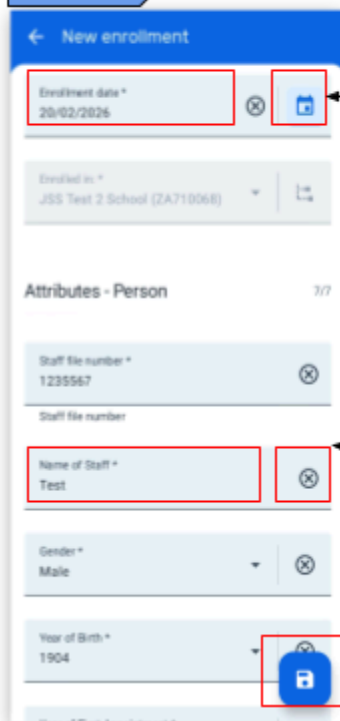

Tap the Search field at the top to search for the learner

Fill in the Staff file number and tap the search bar at the bottom of the screen to search

If the list is empty, tap the 'New Person' icon to enroll them as a new staff

Step 3

Navigate how to enter and sync staff data

To enter a date, type directly into the field or tap the calendar icon, navigate it and select the date Your School is preselected

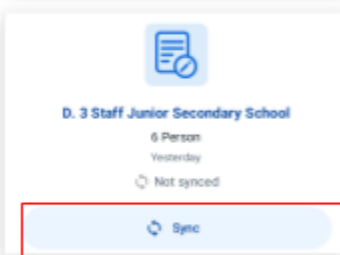

1

Tap a field to enter data values or select from existing options. Tap the x icon next to it to clear a mistake

2

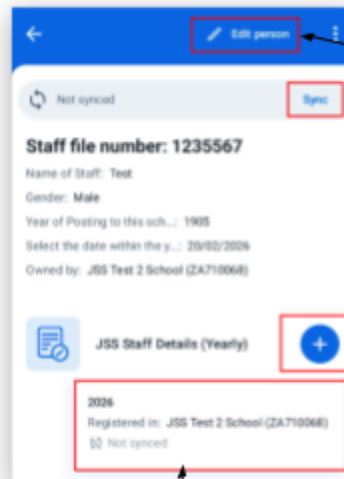

After entering all the data, tap the file button to save the learner

3

Tap the sync button on the list of forms to sync all the staff inside the form at once.

6

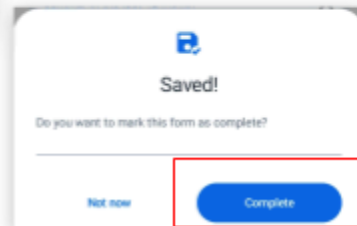

Tap to edit the staff's enrollment details

Tap this Sync label to sync a single staff's data

Tap the plus button, then tap 'Enter Event' to enter data into the staffs' details form

4

To edit the staff's information, tap on it from the list

After filling in data in the staff details form, click the file icon at the bottom right corner, select 'Complete' to complete the form
